REQUEST FOR QUOTATION (RFQ)

Last date for offer submission – Date: 28th March 2023 by 18.00 Hours

Subject: RFQ for transportation of coal secured through Shakti Linkage / Short Term Linkage / E-Auction from various mines of Korba Area and Korea Rewa (CIC) area of South Eastern Coalfields Limited (SECL), through Direct Road to KSK Mahanadi Power Company Limited Nariyara, Chhattisgarh.

RFQ being issued for end to end delivery of Shakti Linkage / Short Term Linkage / E-Auction coal from various mines of Korba Area and Korea Rewa Area of SECL by road mode to KSK Mahanadi Power Company Limited at Nariyara, Chhattisgarh. The details of the requirements are mentioned in this RFQ as below.

Definitions:

In the RFQ as herein defined where the context so admits, the following words and expressions will have the following meanings: -

“Coal” shall mean coal secured by KMPCL, under new Transparent Coal Allocation Policy, 2017 called SHAKTI B (II) (Scheme for Harnessing and Allocating Koyala (Coal) Transparently in India), Short Term Linkage Coal under SHAKTI B(III)) AND any E-Auction.

“Contractor or Transporter” shall mean “Name of the Contractor or Transporter_____” (to be filled by contractor)

“KMPCL” shall mean KSK Mahanadi Power Company Limited.

“CIL” shall mean Coal India Limited.

“SECL” shall mean South Eastern Coalfields Limited, a subsidiary of CIL.

“Mines” shall mean mines of Korba Area and Korea Rewa of SECL.

“ROM” shall mean Run of Mines or Raw coal.

“Crush Coal” shall mean sized coal between -0 mm to -100mm.

“Day” shall mean a day of 24 hours from midnight to midnight.

“Delivery Order” or “D.O” shall mean an entitlement document issued by SECL (South Eastern Coalfields Limited) for ownership of coal in the name of KSK Mahanadi Power Company Limited.

“Direct Road or Road” shall mean road transportation of coal from the allocated mines as per D.O to plant without any transition.

Unless otherwise specifically stated, the masculine gender shall include the feminine and/or neutral gender and vice versa and the singular shall include the plural and vice versa.

KMPCL and the Contractor will be collectively called as “Parties” and will be individually called as “Party”.

1. SCOPE OF WORK:

Contractor to execute end to end service towards performance of this contract. The Contractor shall arrange to lift the ROM Coal from SECL mines specified in the respective Road Delivery Order & transport by road to KMPCL plant at Nariyara, Chhatisgarh as per the following exhaustive but not limited to the below terms and conditions:

- 1.1 Collection of documents from KMPCL, submission of documents and co-ordinate with SECL, Bilaspur to obtain the delivery order & compliance of all formalities with SECL H.O, Mines area & other Govt. agencies for commencement of coal lifting from the designated mines against the Delivery Order. KMPCL will authorize the Contractor to perform all the above activities on behalf of KMPCL.
- 1.2 Contractor shall ensure to deploy adequate number of tipping trucks at mines for lifting & delivery of coal as per the monthly scheduled quantity (MSQ) without lapses.
- 1.3 Contractor shall take utmost care while supervision of tipping trucks loading at mines to ensure boulders, stones, shales are not loaded into tipping trucks. Contractor shall take appropriate measures to avoid contamination of coal at mines.
- 1.4 Contractor shall supervise loading of Coal at SECL mine(s) in line with the quantity & quality as mentioned in D.O & declared by SECL / CIL.
- 1.5 Contractor shall supervise and ensure loading of coal quantity as per Carrying Capacity of tipping trucks approved by RTA.
- 1.6 Contractor shall separately deploy adequate manpower for witnessing of sampling, preparation and collection of samples of coal by Third Party Agency (TPA) between KMPCL and the said CIL Subsidiaries. Collected samples to be sent by courier on daily basis to KMPCL, as directed by KMPCL representatives. Any charges in this connection to be borne by the Contractor.

- 1.7 Contractor shall ensure that the coal lifted from SECL mines has been delivered at KMPCL plant site.
- 1.8 Contractor shall deliver minimum quantity to the plant as per the asking rate of the delivery order. Any shortfall in delivery of quantities in a particular day, the same shall be covered in next day.
- 1.9 Contractor shall provide and cover coal transportation worthy tarpaulin immediately after loading of the tipping trucks and tie the tarpaulin with ropes. Further, trucks will be sealed with minimum 18 Nos of seals before dispatching the trucks to KMPCL for reducing the comprehensive environmental pollution index as per the directives of Ministry of Environment/State Government and safety of coal. Contractor should transport coal strictly up to the maximum carrying capacity as determined by axle load of the vehicles as permitted by Regional Transport Authority. Any penalty imposed by Regional Transport Authority, due to overload or spillage of coal at road during transportation shall be borne by the Contractor.
- 1.10 Contractor shall ensure that no excess water pouring on Coal at mines end (beyond permissible sprinkling limit as per the statutory norms) takes place before placement of trucks, during loading and till completion of loading.
- 1.11 Contractor shall make necessary arrangements for transportation of ROM coal specified as per the respective Delivery Order, from the collieries of SECL Coalfields to KMPCL plant and shall be responsible for safe transportation of coal as per DO. In-case of big size coal loaded (more than the specified size in the D.O) & transported by the contractor then transporter shall be responsible for unloading & manually crushing of the coal at KMPCL plant site. If KMPCL unloads and manually crush the coal at the plant, then the cost incurred for the same shall be recovered from the contractor.
- 1.12 The contractor shall ensure that no theft, pilferage is occurred during transit from the mines end till delivery at KMPCL plant site. In-case of any loaded vehicle found at plant with broken seals or without seals & proof of theft or pilferage then the coal in the vehicle will be unloaded at the KMPCL coal yard & entire landed coal cost of the coal of the said vehicle shall be recovered from the contractor along-with the penalty of Rs.10000/- for such truck.
- 1.13 Contractor, shall try and arrange maximum GPS enabled vehicles and shall share the link to KMPCL representatives with all related parameters (user ID / password / link) to view the status of trucks online on 24 hours' basis till the completion of entire work. Contractor has to generate daily GPS reports of all trucks and share through email or permission to access reports to designated person of KMPCL. No extracost shall be paid to the contractor in this regard.

- 1.14 Contractor shall transport complete coal quantity as mentioned in this order. The Contractor shall not divert or keep coal at any cost. In-case the vehicle diverted & coal unloaded at any other place than the destination at KMPCL plant site, then 3 times of the landed cost of the coal of that vehicle shall be recovered from the Contractor bills or security deposit along with appropriate legal action shall be taken against the Contractor.
- 1.15 The Contractor warrants that entire Coal movement shall be done with proper & valid documents including, E-way Bill, LR Copy, Weighment Slip, Transit Pass, Delivery Challans & other required statutory documents. Contractor shall generate E-way Bill & other required documents on which are mandatory for movement of coal.
- 1.16 The entire co-ordination work, wherever required including but not limited to respective District Collectorate, Police, Check Posts en-route, District Mining Department, Village bodies for local issues, tax authorities, Forest Department or any other in-transit issues, any type of issues during the movement shall be the sole responsibility of the Contractor. Contractor shall take all types of risks and responsibilities during the movement from mines to KMPCL. Wherever required, approval shall be taken from the relevant authorities before the commencement / during of Coal movement. All en-route expenses from placement of the vehicles the mines end till delivery at KMPCL stock yard shall be in the scope of the Contractor.
- 1.17 Contractor shall take due care to protect the coal against rain, fire, damage, theft, pilferage etc. & shall be responsible for damages / shortages arising there from & shall indemnify owner (KMPCL) for such losses. Contractor undertakes that Owner shall have the right & be entitled to deduct the amount of such losses or damages from the bills / security deposit or any amount outstanding to the contractor from the Owner. In-case there are no outstanding bills, the Contractor shall pay the amount so demanded / claimed by the Owner within seven (07) days from the date of such claim / demand.
- 1.18 In case of accident to any employee appointed by the Contractor and / or break down of truck or any damages to SECL property, Public property, KMPCL and / or person, due to negligence of the Contractor at any point of time during the Work Order period, any cost arising due to this, shall be borne by the Contractor. KMPCL shall not entertain any of the claims by the Contractor in this regard. Also Contractor shall provide immediate transshipment of coal through alternate replacement vehicle at his own cost. Contractor shall take responsibility of reporting accident, loss & theft of the cargo or any other similar incidents to the originating point to the destination point of the Owner.
- 1.19 Contractor shall plan the lifting schedule based on asking rate on daily basis from the beginning of the delivery order / release order. We shall not entertain any correspondence or waiver in terms and conditions during last days and no permission will be allowed for dumping at private plots/transshipment.

- 1.30 Contractor shall deliver the Coal at KMPCL plant site within 24 hours from Korba Area & within 48 hours from Korea Rewa Area of the lifting coal from the respective mines. In case of breakdown of the vehicles, the Contractor has to inform KMPCL about the break down along with relevant details viz., vehicle number, details of statutory documents etc. Depending on the severity of the situation KMPCL shall instruct appropriately towards delivery of coal to KMPCL Plant. All relevant expenses in this regard shall be borne by the Contractor.
- 1.31 In case the Contractor deploys dala body vehicles (vehicles without tipping facility), then the Contractor has to make own arrangements at KMPCL Plant site towards unloading of Coal from such trucks within 24 hours of arriving of such vehicle at plant. Failing which, KMPCL shall unload the Coal and recover Rs.100/- per MT against such truck(s).
- 1.32 Contractor shall send daily lifting & dispatch report to KMPCL by 10 A.M as per the format provided by KMPCL.
- 1.33 Contractor shall co-ordinate with SECL for collection of invoices and reconciliation of coal quantity on behalf of KMPCL.
- 1.34 Contractor shall ensure the coal bills to be sent electronically (as and when generated) by the Collieries to the designated e-mail of KMPCL. Any non-receipt of invoice to be taken up with respective Collieries. Contractor to ensure rectification of Wrong Billing / errors in Billing by respective mines of subsidiaries.

2. QUANTUM OF WORK:

Quantity of Coal to be transported as per below table:

a)

Mines of Korba area, SECL	Quantity (MT)	Grade
Dipka	As and when DO issue from the mines and Quantity may vary month on month. However, the approx. quantity shall be between 30,000 MT to 1,00,000 MT Per Month	G 11
Gevra		G 11
Kusmunda		G 11
Manikpur		G 11
Saraipalli		G 10

Amagaon		G 10

However, quantity mentioned above is indicative only and there will be **no guarantee of monthly allocation of coal by KMPCL** to the Contractor. KMPCL reserves the right to allocate mines and quantity in part or full of the quantum of work to multiple agencies. The decision of the RP in selection of Transporters / Agencies shall be final and binding on the Contractor.

3. WEIGHMENT:

Weight recorded at KMPCL Weighbridge is considered as final weight and binding on both the parties. Contractor may depute one representative to witness the weighment at KMPCL weighbridge. In the absence of Contractor's representative, KMPCL shall go ahead with weighment. For any reason, if it is not possible to weigh at KMPCL weighbridge, then Challan (submission of weighment slip necessary) / RR quantity shall be final and binding.

4. CONTRACT PRICE: refer annexure - III

5. SHORTAGES

The Contractor shall be responsible for shortage of coal between the coal loaded from the mines and delivered at KMPCL weighbridge. A tolerance of 0.5%, shall be allowed between mines and KMPCL weighbridge. Beyond 0.5% shall attract penalty equivalent to the landed cost of Coal. Penalty shall be calculated on DO-to-DO basis after completion of the delivery of the respective D.O quantity at KMPCL plant site.

d) Guaranteed Total Moisture (TM)

for Korba Area : **not exceed 11%** or less in dry season (Oct – May) & **not exceed 13%** during the monsoon season (Jun-Sep).

for Korea Rewa Area : **not exceed 14%** or less in dry season (Oct – May) & **not exceed 16%** during the monsoon season (Jun-Sep).

7. SAMPLING AND TESTING:

The sampling & testing shall be done at KMPCL as per following procedure:

- a) For determination of coal quality, sampling and analysis done by KMPCL shall be final and binding. KMPCL shall not allow any third party in their premises for sampling & analysis on request of the Contractor.
- b) The representative of the Contractor shall be allowed to witness the collection of samples; however in no case the Contractor will be allowed to witness sample preparation and sample testing unless specifically approved by RP on case to case basis.
- c) The material received during a Day shall be taken for sampling. Samples shall be taken from each truck as per **IS procedures**.
- d) The material collected for sampling purpose, at the end of every Day will be taken up for preparation of samples in terms of **IS procedures**. The result for the Day so available for composite sample prepared for a Day will be applied to all the material received against the respective Delivery Order, on that Day for a particular mode of supply.
- e) Three samples will be prepared one for testing and other two will be referee samples for each mode of supply.
- f) Two referee samples will be prepared for each mode of supply and kept at the Site; these two referee samples will be designated as “FIRST REFEREE SAMPLE” and “SECOND REFEREE SAMPLE”. The referee samples so prepared will be kept with a proper tag indicating the mode of supply along with other relevant details.
- g) “FIRST REFEREE SAMPLE” will be tested at KMPCL Plant laboratory only as per IS Procedures, in case of any discrepancy. The Contractor may within two days of receipt of sampling results, raise any dispute against values declared for sampling results. Any dispute thereafter will not be entertained by KMPCL and the results declared as per first sample tested will be considered final and binding for the billing purpose.

Fax: +91-40-23559930

- h) "SECOND REFEREE SAMPLE" shall be kept at the Site & shall be sent to 3rd party analysis if required or if demanded by the Contractor, only in case the results for "FIRST REFEREE SAMPLE" are not acceptable to the Contractor. The Contractor may, raise any dispute against values declared results against FIRST REFEREE SSAMPLE within two days of receipt of results . Any dispute thereafter will not be entertained by the Purchaser and the results declared as per "FIRST REFEREE SAMPLE" tested will be considered final and binding for the billing purpose.
- i) The 3rd party for testing the "SECOND REFEREE SAMPLE" will be QCI/ CIMFR/ SGS or IGI. Results declared by 3rd party shall be final & binding on both, the Contractor and the KMPCL. The cost of sampling for "SECOND REFEREE SAMPLE" will be borne by KMPCL and shall be recovered from the Contractor in case referee sample analysis is required to be done at the request of the Contractor. Referee sample will in no case be handed over to the Contractor. The referee samples will be maintained for a period of 30 days only.

8. PENALTY:

- a) In case the Contractor fails to deliver the Guaranteed GCV (ARB) as per clause no. 6 C, then penalty for the same will be levied at the rate of Rs. 0.70 per kcal/kg for Korba area & Rs. 1.00/ for Korea Reva area on pro-rata basis.
Example: if the guaranteed GCV-ARB is 3900Kcal & GCV delivered at plant is 3800 Kcal/kg then penalty will be calculated as per the following formula: {[Guarantee GCV 3900) – (3800 received GCV) x 0.70 x Quantity is 1MT) = Rs.70/MT}

GCV penalty will be calculated on fortnightly weighted average basis (i.e 1st to 15th and 16th to 30th or 31st)

- b) The contractor shall be responsible for shortage of coal between the quantities issued as per DO by SECL and coal delivered at KMPCL weighbridge (Moisture Normalized quantity). A tolerance of 0.50% shall be allowed between DO issued by SECL and coal received at KMPCL weighbridge (Moisture Normalized quantity). Beyond 0.50% shall attract penalty equivalent to landed cost of coal. Shortages shall be calculated on DO to DO basis.
- c) Contractor shall transport complete coal quantity as per the terms & condition of the work order issued by KMPCL. The Contractor shall not divert or keep coal at any cost. In-case the vehicle diverted & coal unloaded at any other place than the destination at KMPCL plant site, then 3 times of the landed cost of the coal of that vehicles shall be recovered from the Contractor along with appropriate legal action.

- d) In case of non-lifting of entire or part of DO quantity, an amount of Rs. 1,000/- MT, towards un-lifted Coal quantity, would be recovered from the Contractor bills or shall be recovered from BG. There shall not be any penalty, in case of delay from KMPCL towards handing over of DO or written instructions from KMPCL to contractor to hold the dispatches or on force majeure condition.
- e) Normalized quantity at KMPCL shall be considered as final receipt quantity at plant. Proportionate correction will be done in the receipt weight. I.e. as per formula mentioned below.

Normalized receipt quantity = [{Actual receipt weight at KMPCL end}] * {100- TM receipt at KMPCL end} / [100 – Guaranteed TM]. There is no premium for lower moisture.

9. BILLING & PAYMENT:

Contractor shall submit bills towards transportation of coal along with the supporting documents as per terms and conditions of the Work Order, within four days from the completion of fortnight basis i.e., 1st to 15th and 16th to 30th/31st of calendar months.

GST on transportation shall be paid to Government by KMPCL under Reverse Charge Mechanism. TDS shall be deducted from the Contractors' Bills as per the rates applicable.

The bills submitted shall be processed at KMPCL Head office at Hyderabad, after due certification by site (of bills copy) and the payment shall be released for 90% of invoice value within 15 days' time from submission of complete and clear documentation.

The Balance 10% payment after deduction of penalties for quantity, quality and any other recoveries as per provisions of the order shall be released from the HO at Hyderabad within 15 days from the date of completion of Work Order.

10. DURATION OF THE WORK ORDER :

The Work Order shall be valid for six months from the date of acceptance of the work order by the Contractor.

11. PERFORMANCE BANK GUARANTEE:

Within 3 (three) days from the date of issue of the Purchase Order, the Transporter shall furnish a Performance Guarantee in the form of cash deposit or a Performance Bank Guarantee of a Nationalised / Scheduled Bank authorized by RBI to issue bank guarantee in the prescribed format

ANNEXURE 1

GENERAL TERMS AND CONDITIONS:

1 AMENDMENT

No change, amendment or modification of the Work Order shall be valid or binding upon the Parties hereto unless such change, amendment or modification is carried out by the consent of both the Parties and shall be in writing and duly executed by both the Parties.

2 ASSIGNMENT

The Contractor shall not be entitled to assign, subrogate, sublet, directly or indirectly or part with the rights and obligations under the Work Order without the prior written consent from KMPCL. KMPCL shall have the absolute right to assign to any person the whole or in part of its rights and obligations under the Work Order by giving intimation to the Contractor of assignment of such rights and obligations.

3 SAFETY AND SECURITY PROVISIONS

The Contractor shall issue its personnel, protective equipment such as safety shoe, safety helmet, and full harness safety belt with fall arrester, safety goggles, hand gloves, face shield, nose mask, and ear plugs/ ear muffs to all its personnel and should ensure its use.

4 TERMINATION AND SUSPENSION

4.1 Termination

Notwithstanding anything hereinabove contained, in the event of the Contractor being adjudicated insolvent, or KMPCL resolved or Work Ordered to be wound up, then in such event, the Work Order shall automatically stand terminated

KMPCL may at any time on breach of the Work Order by the Contractor, give him a written notice of such breach. If the Contractor does not take measures which are considered appropriate by KMPCL, within a period of 7 (seven) days after receipt of such notice, to remedy that breach, then KMPCL may terminate the Work Order at any time thereafter, the completion of 7 (Seven) days stating therein the date of termination.

KMPCL reserves the right to terminate the Work Order at any time by giving a notice of not less than 7 (seven) days without assigning any reason.

The Contractor shall stop the performance of the Work Order from the date of termination. In such an event, KMPCL shall pay to the Contractor the outstanding legitimate dues against services provided by him less all the amounts recoverable by KMPCL against submission of necessary valid documents. No consequential damages shall be payable by KMPCL to the Contractor in the event of such termination.

Fax: +91-40-23559930

4.2 Suspension

KMPCL may suspend the performance of Work Order in whole or in part at any time by giving the Contractor notice in writing to such effect stating the nature, the date and the anticipated duration of such suspension. On receiving the notice of suspension, the Contractor shall stop all such work, which KMPCL has directed to be suspended with immediate effect. The Contractor shall continue to perform other works in terms of the Work Order, which KMPCL has not suspended. The Contractor shall resume the suspended work as expeditiously as possible after receipt of such withdrawal of suspension notice.

During suspension, the Contractor shall not be entitled for any claim whatsoever arising out of any loss or damage.

Immediately upon termination of the Work Order for whatsoever reason, the Contractor shall forthwith hand over the entire stock of the Coal and any other equipment / material belonging to KMPCL and lying in his custody or in transit, to KMPCL failing which KMPCL will be entitled to recover, the value of such material / equipment from the bank guarantee / bills of the Contractor.

5 FORCE MAJEURE

The Parties agree that neither of them shall be liable to the other, for any loss, delay, damage or other casualty suffered or incurred by the other due to any failure or delay by any Party in the performance of any of its obligations under this Work Order due to earthquakes, floods, fires, explosions, acts of God, acts of state, wars, terrorism, action of any Government, tempests, epidemics/pandemics, quarantine restriction, serious industrial disputes, strikes, lockouts, local unrest, shipwrecks, civil war, act of the public enemy including but not restricted to block of passage, riots, directives by any statutory authority, compliance with directives or orders of any Court of Law or directives from State Government or Government of India ("Force Majeure"). Any failure or delay by any Party in the performance of any of its obligations under this Work Order owing to Force Majeure shall not be considered as a breach of any of its obligations under this Work Order

The Party claiming benefit of Force Majeure shall however not be entitled to the same unless it has intimated the other Party by telex / e-mail / cable / fax about the occurrence of such event within a period of seven (7) days from the occurrence of such Force Majeure event indicating there in the steps that it is taking or intending to take to mitigate the effect of such Force Majeure on the performance of its obligations under this Work Order.

The Party unable to perform this Work Order due to the effect of Force Majeure occurrence may, after consultation with the other Party extend the duration of this Work Order by a period commensurate to the time actually lost due to the Force Majeure occurrence. In the event the Force Majeure event continues for a period beyond 7 (Seven) days from the date of intimation of such Force Majeure, the Parties hereto shall mutually discuss the matter and decide on the course of action to be taken or terminate this Work Order on account of Force Majeure.

6 INSURANCE

The Contractor shall ensure adequate accident insurance of the representatives deployed in the performance of this Work Order and KMPCL shall not be liable for any damages or the like. Insurance against all types of risk for the Contractor's workmen during the period of execution of work will be in Contractor scope. KMPCL shall not be responsible for death, injury or accident to Contractor's or its associate's employees or any other third Party, which arise out of or in the course of their duties.

The KMPCL shall undertake insurance of the Coal by suitably taking a Marine Transit Insurance Policy and the liability of the Contractor shall be limited to the scope under this Work Order.

7 ARBITRATION

It is the intent of the Parties to harmoniously settle all disputes and disagreements that may arise out of and/or in relation with this Work Order (the "Disputes"), through mutual discussion. Therefore, where any Disputes arise between the Parties hereto, the Parties shall first attempt to settle the same amicably between the Parties.

Where any Dispute is not resolved by the Parties with mutual discussion within fourteen (14) days of the same having been notified by one Party to another, then the same may be referred by either Party for Arbitration to an arbitral tribunal consisting of three arbitrators. Each Party shall be entitled to nominate one arbitrator. The two nominated arbitrators shall jointly elect a third arbitrator to serve as the Chairman of the arbitral tribunal. The arbitration proceedings shall be in accordance with the provisions of the Arbitration and Conciliation Act, 1996 (as amended or modified from time to time).

The venue of arbitration shall be at Hyderabad, Telangana, India and the language of arbitration will be in English. The arbitration award shall be final and binding upon the Parties.

8 GOVERNING LAW & JURISDICTION

This Work Order shall be governed by, and construed in accordance with, Indian law. The language for the purposes of this Work Order shall be English language and all correspondences, notices and / or communication etc. shall be in English only. The Courts of Hyderabad, India shall have exclusive jurisdiction to settle any dispute arising out of and/ or in connection with this Work Order.

9 INDEMNITY

The Contractor shall Indemnify KMPCL from and against all actions, suits and proceedings by the third Party for the acts/omissions of the Contractor and all costs, charges, expenses, losses, damages, taxes, duties, penalties, levies, and all other liabilities which the KMPCL may be liable to pay, incur or sustain as a result of performance or nonperformance, observance or non-observance by the Contractor of any of the terms and conditions of this Work Order.

The Contractor agrees that time is the essence of this Work Order. If the Contractor fails to provide

services the Contractor shall indemnify KMPCL for all losses/ damages suffered by KMPCL. KMPCL shall be at liberty to hire/avail the services from any other contractor at risk and cost of Contractor.

KMPCL shall, without prejudice to its other rights be entitled to deduct/ adjust from any dues payable to the Contractor or any security, all amount(s) which KMPCL may be liable to pay, incur or sustain as a result of the performance or non-performance, observance or non-observance of any of the terms of this Work Order by the Contractor.

10 CONFIDENTIALITY

All the confidential information or data supplied by KMPCL to the Contractor in connection with the service being provided by the Contractor shall remain the property of the KMPCL or its licensors. If the Confidential Information is disclosed by the Contractor to an unauthorized third Party, without written permission from KMPCL, the Contractor agrees to indemnify KMPCL from and against the same.

11 RELATIONSHIP WITH EMPLOYEE OF KMPCL

The Contractor shall not avail the services of any of the employees of KMPCL, directly or indirectly or enter into any monetary transaction with the employees of KMPCL at any time either pursuant to the Work Order or otherwise and after expiry or sooner termination thereof. Favors such as bribes, commission, gifts or advantage given, promised or offered by or on behalf of Contractor or its partners, agents or servants to any of the employees of KMPCL or their agent or relatives in return of favors or agreeing to do such favors or disfavours to any other person entity or such other third Party in relation to the Work Order shall result in the termination of the Work Order in addition to initiation of such civil or criminal proceedings at the sole discretion of KMPCL and KMPCL reserves the rights to recover any loss or damage resulting from such termination from the Contractor to the extent of the value of loss involved along with interest. If any un-ethical practice followed is identified by KMPCL, there will be a penalty of Rupees Ten Lakhs Only per incident.

12 WAIVER OF RIGHTS

No forbearance, delay or influence by KMPCL in enforcing any of the provisions of this Work Order shall prejudice or restrict the rights of KMPCL nor shall any waiver of its rights operate as a waiver of any subsequent breach and no rights, powers, remedies herein conferred upon or reserved for the KMPCL is exclusive of any other right, power or remedy available to KMPCL and each right, power or remedy shall be cumulative. Any time concession or indulgence rendered or shown by the owner to the Contractor as regards any of the terms of this Work Order will not prejudice the owner's rights under this Work Order and/or law.

13 SEVERABILITY

If any of the terms and conditions of this Order shall become unenforceable for any cause or reason whatsoever, the ensuing lack of enforceability shall not affect the other provisions hereof, and in such event the Parties hereto shall endeavor to substitute forthwith such other enforceable provision as will most closely correspond to the legal and economic contents of the said terms and conditions.

14 NOTICES

All notices under this Work Order shall be in writing and in English Language. All notices be served, either by hand delivery or by registered post addressed to either Party at the last known place of business or by facsimile and in providing the services of such notice, it shall be sufficient to show that the same has been received in person or property addressed by registered post.

15 ENTIRE AGREEMENT

This Work Order constitutes the entire Work Order between the Parties relating to the matters discussed herein and supersedes any and all prior oral discussions and/or written correspondence or agreements between the Parties.

16 SURVIVAL

All obligations incurred prior to and which by their nature would continue beyond cancellation termination or expiration of this Work Order shall survive such cancellation, termination or expiration.

17 MALPRACTICE / DAMAGE / CONTAMINATION

There should be no malpractice or contamination of coal at sampling area, lab area or at any plant sites or outside the plant premises. If anything is found then the Work Order may be terminated immediately or the Contractor person should be blacklisted immediately and there will be a heavy penalty of Rupees Ten Lakh against the Contractor.

The Contractor will not use the name of KMPCL in any manner either for credit arrangement or otherwise and it is agreed that KMPCL is in no way responsible for the debts of the Contractor and / or its employees.

18 ADDITIONAL TERMS AND CONDITIONS:

The Contractor shall be responsible to comply with all laws of the land including Labour rules and Acts which are in vogue during the period of Work Order and shall indemnify KMPCL against any claim arising out of any non-compliance/or accidents to the third Party.

EPF provisions shall have to be made by the contractor for their personnel as per the prevailing rules and laws.

The Contractor and their personnel shall have to observe all safety measures and follow safety rules at the time of execution of works. Contractor shall have to ensure supply, educate and see that their employees wear all safety equipment such as Helmets, Safety Boots, Hand gloves and other safety measures required during execution of works under the Work Order as per instructions of KMPCL.

The Contractor, as per the Factory Act and Rules, shall have to take appropriate measures to safeguard health, welfare and safety of person engaged by him.
